Handout 6

Latest Crow Bulletin written by Esmeralda and given out by a friend at TTC8

As all mice know, crows fly in straight blue lines. To get safely to TTC10 at 537 938, via PCG.

Just cross all the crow lines in order:

50 92 50 91 51 90 89 52 53 89 54

90 54 90 53 90 91 52 92 52 93 53

On the way all mice should pass STC9, but be quiet through Broughton Astley so as not to wake any crows.

Secret Instructions from Esmeralda via a friend with no name at TTC10

“Oh my” squeaked Esmeralda, “this should be easy”

“Take the next 4 right, but don’t cross the A426, then the next 3 left, then at the crossroads turn right for the safety of TTC12.

On the way all mice should pass STC11, but be quiet through Broughton Astley so as not to wake any crows.

Handout 8

TTC 12 - And all the crows have buggered off.

Mice may safely scurry via PCH to MC2, using only 9 yellow junctions and passing three nests of sleeping crows, there is no time to count the crows, but if you did you would find 95 in the first nest, 112 in the second and 103 in the third. Be careful not to pass any other crows nests, however many crows there are.
